Free to start • No spam • Secure by design

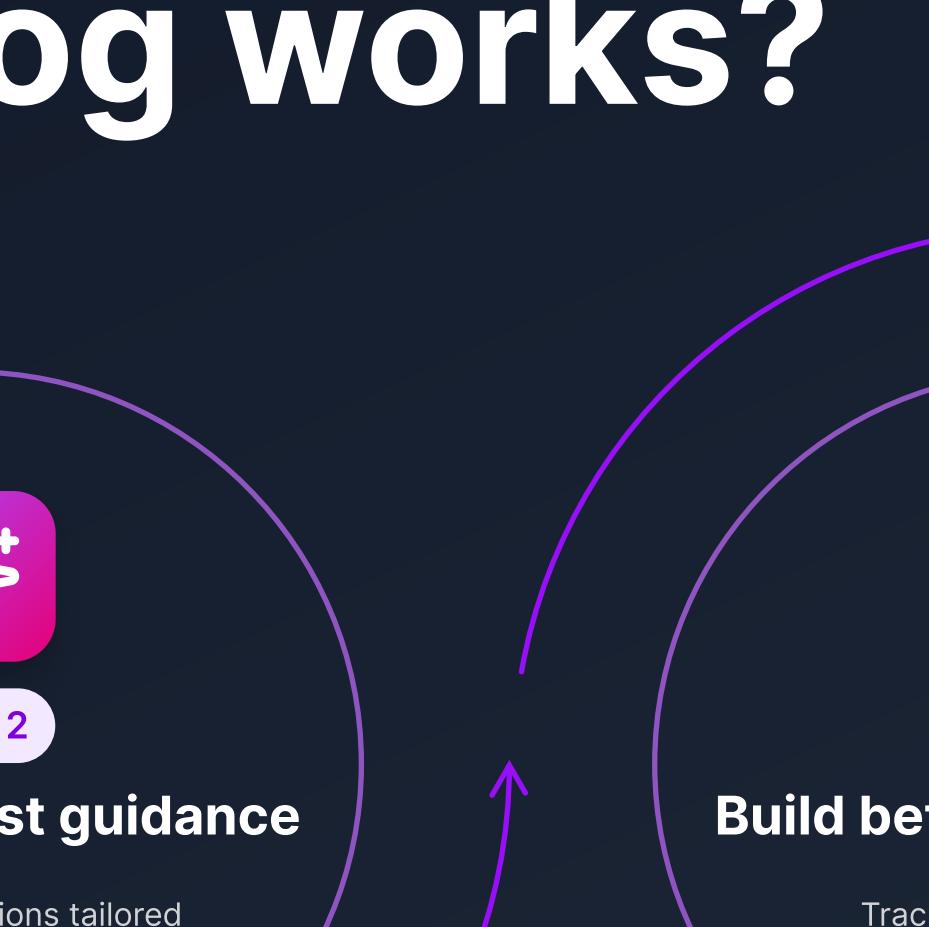

Money feels confusing. You're not alone.

Viniyog ONE helps you [understand before you invest](#).

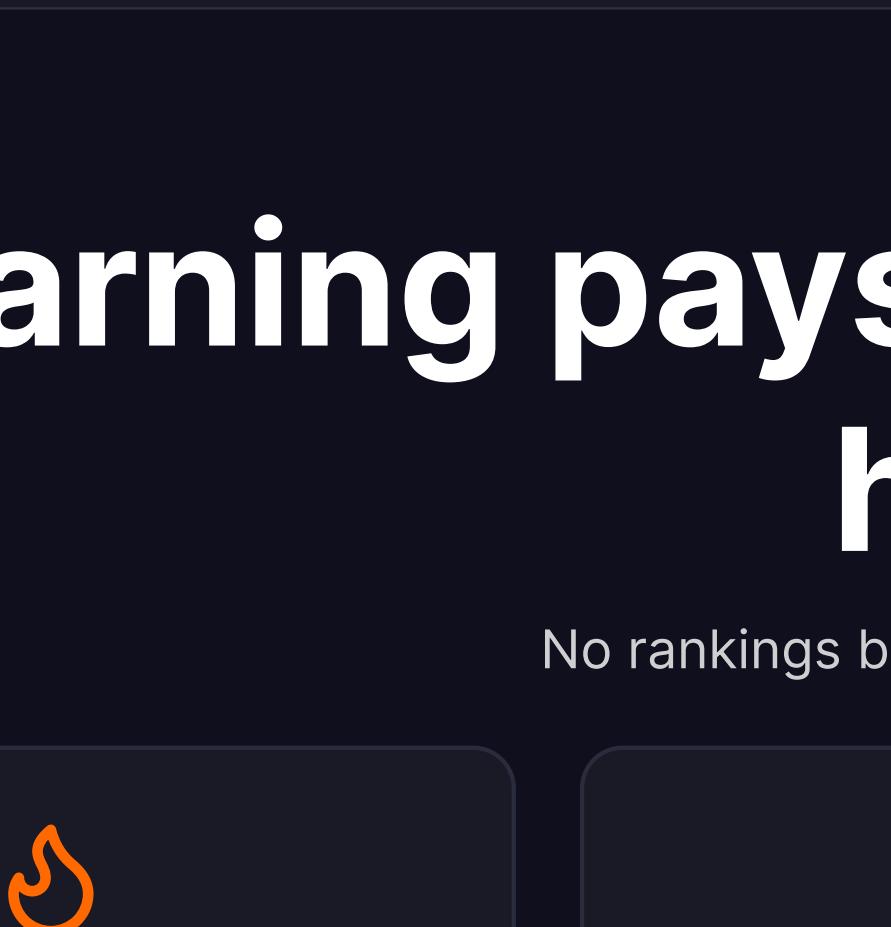

Understand your money

Track spending, savings, and investments in one place.

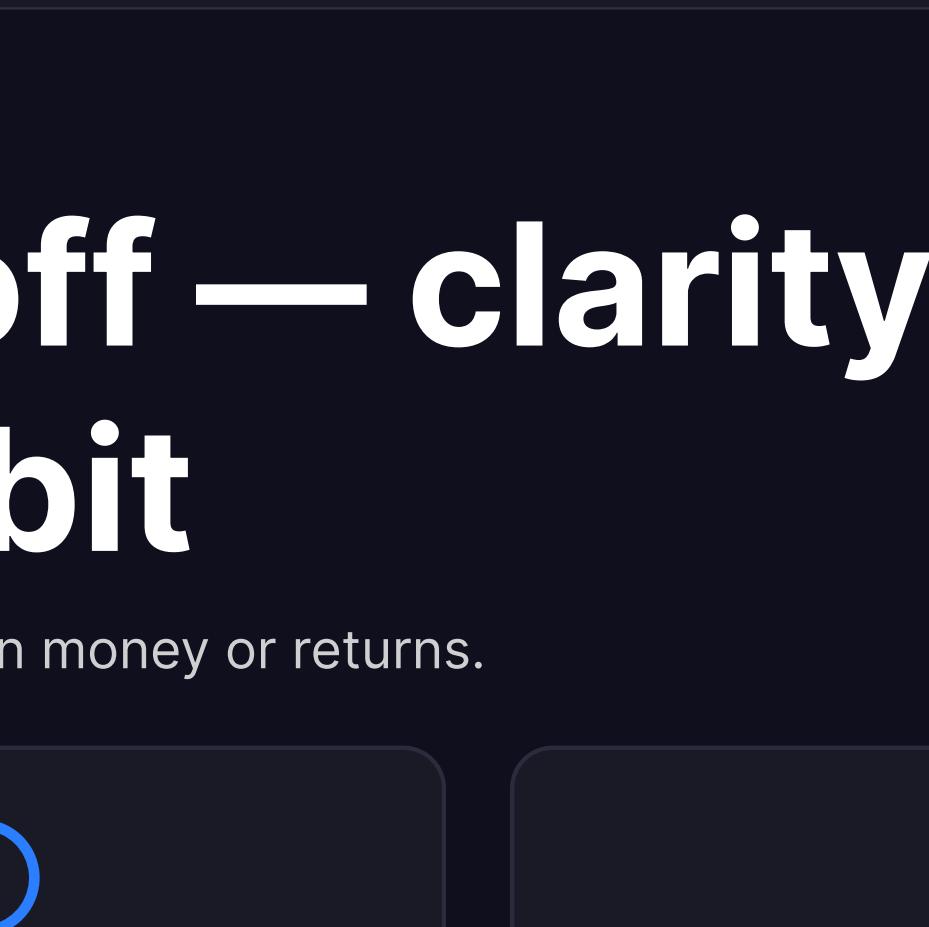

Get AI insights

Ask questions. Get instant, personalised financial guidance.

Behavioral Nudges

Know where your money is working - and where it isn't.

Learn as you go

Short lessons and real examples, not boring finance theory.

AI-Powered

100% Secure

Made for India

How Viniyog works?

Step 1 Start a conversation

Ask anything about money — no question is too basic.

Step 2 Get clarity-first guidance

Simple explanations tailored to you, not sales pitches.

Step 3 Build better money habits

Track your learning, earn rewards, grow confident.

Learning pays off — clarity is a habit

No rankings based on money or returns.

Karan

Age 26

★★★★★

"Finally a site that talks like I do."

Sneha

Age 22

Meet Viniyog — your 24x7 AI financial mentor

Ask questions freely. Get simple, personalized guidance — like a calm mentor, not a salesman.

"Am I saving enough?"

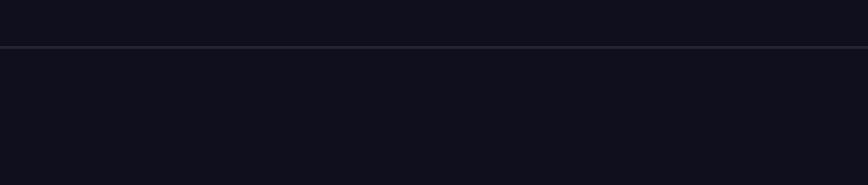

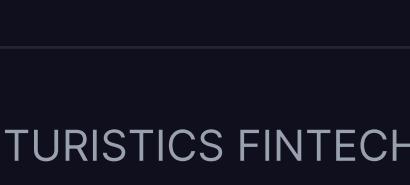

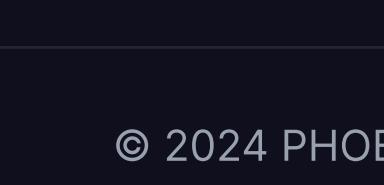

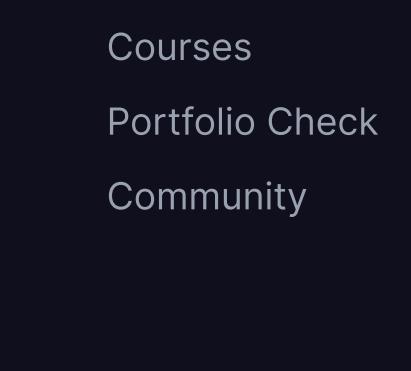

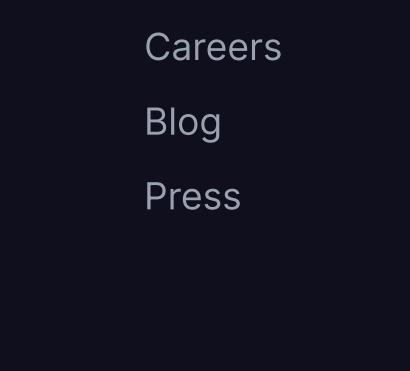

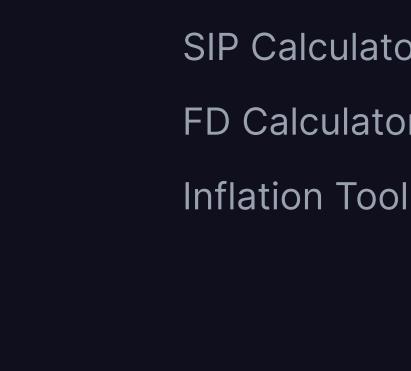

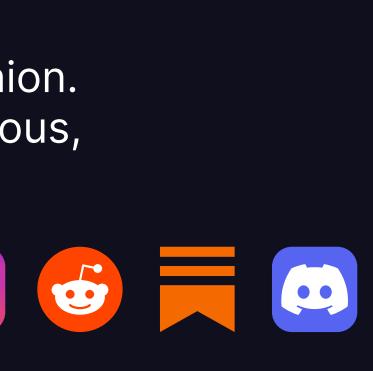

"Where should I start investing?"

"Explain SIP like I'm new."
